Note: WINDOW SIZES ARE QUOTED AS “NOMINAL” THEY ARE NOT THE ACTUAL SIZE OF THE WINDOW.

The windows are designed to be installed 12” on center, the quoted sizes are based upon the point of attachment. (See rough opening chart for actual sizes of windows.)

Custom Sizes are available.

Standard Colors: White and Bronze

Optional Subframe System

All windows can be factory mounted inside a 16 gauge, galvanized subframe system to provide for a solid installation.
